organization (as defined in IC 27-13-1-19) that provides coverage to the individual.

(d) Before immunization data may be released to an entity, the entity must enter into an agreement with the state department that provides that information that identifies a patient will not be released to any other person without the written consent of the patient.

(e) The state department may release summary statistics regarding information in the immunization data registry if the summary statistics do not reveal the identity of an individual.

(f) The state department may assess an entity described in subsection (c)(8) or (c)(9) a reasonable fee for the release of information under this section.

(g) An insurer or health maintenance organization that receives information under subsection (c) shall not use the information in connection with any of the following:

(1) Cancellation, refusal to issue, or refusal to renew a policy of accident and sickness insurance or health maintenance organization contract.

(2) A reduction or other adverse or unfavorable change in the terms of coverage or amount of coverage under a policy of accident and sickness insurance or health maintenance organization contract.

(3) An increase in a charge for coverage under a policy of accident and sickness insurance or health maintenance organization contract.

(4) A denial of coverage or reduction in the amount paid for a claim under a policy of accident and sickness insurance or health maintenance organization contract.
